

10 THINGS YOU CAN DO TO STOP HUMAN TRAFFICKING

1

LEARN the signs of human trafficking and how to respond. Register at [Surviveandthriveadvocacy.org/events](https://surviveandthriveadvocacy.org/events).

2

JOIN STAC's email list to receive news at surviveandthriveadvocacy.org/sign-up.

3

DONATE to support human trafficking survivors and STAC's work at [Surviveandthriveadvocacy.org/donate](https://surviveandthriveadvocacy.org/donate).

4

KNOW the National Human Trafficking Hotline: 1-888-3737-888. Text "Help" or "Info" to 233733 or visit Humantraffickinghotline.org.

5

HOST a STACPRO trafficking training for businesses and workplaces or take the [class online](#).

6

HELP spread the word that both sex and labor trafficking are in our rural communities and [help is available](#).

7

HEAR from human trafficking survivors and lived experience experts on the [Imagine Freedom Podcast](#).

8

LIKE, FOLLOW AND SHARE STAC's social media accounts on [Facebook](#), [Instagram](#) and [LinkedIn](#).

9

TALK to the youth in your life about the dangers of human trafficking using "A Toolkit for Caregivers and Youth" on our [website](#).

10

REFER someone who needs help and information to STAC's website at surviveandthriveadvocacy.org/gethelp.
