

IT'S TIME TO

A RESOURCE CREATED TO HELP YOU OVERCOME EXPLOITATION

Exploitation is not always easy to identify. People may be in exploitative situations without realizing it or it may take years to identify past circumstances as exploitative. Some signs that you may be experiencing or have experienced exploitation include:

- ✓ Feeling controlled or manipulated by someone
- ✓ Feeling like you're being taken advantage of
- ✓ Feeling as though you don't have other options or can't leave
- ✓ Feeling afraid or unsafe
- ✓ Feeling as though you aren't being fairly compensated for your work
- ✓ Being paid less than you were promised or about the nature of your work
